The *Washington Journal of Environmental Law & Policy* (ISSN 2160-4169) is peer-reviewed and published semiannually by students of the University of Washington School of Law.

Mission: The Washington Journal of Environmental Law & Policy publishes legal scholarship on environmental affairs important to the Pacific Northwest region and beyond. By drawing expertise from across disciplines, the Journal promotes the investigation of current environmental law and proposed solutions for the future.

Submissions: We invite authors, including professionals and law students from the University of Washington and other law schools, to submit scholarly legal articles and essays on topics of environmental interest to the Pacific Northwest region, including British Columbia, Montana, Wyoming, Idaho and Alaska. We also invite authors to submit scholarly articles and essays on environmental topics that do not have a regional focus but nonetheless impact the Pacific Northwest region. We accept submissions at the address below:
