The *Washington Journal of Environmental Law & Policy* (ISSN 2160-4169) is peer-reviewed and published semiannually by students of the University of Washington School of Law.

Mission: The *Washington Journal of Environmental Law and Policy* is a student-run organization that advances legal and interdisciplinary scholarship in the field of environmental law. The Journal provides a forum for students, scholars, and practitioners to examine interdisciplinary environmental issues facing the Pacific Northwest and beyond.

Submissions: We invite authors, including professionals and law students from the University of Washington and other law schools, to submit scholarly legal articles and essays on topics of environmental interest to the Pacific Northwest region, including British Columbia, Montana, Wyoming, Idaho and Alaska. We also invite authors to submit scholarly articles and essays on environmental topics that do not have a regional focus but nonetheless impact the Pacific Northwest region. We accept submissions at the address below:
