Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, had suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, (of Fernandina, Fla.), recommended me to take Ayer's Barasparilia, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146. Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually graw worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Saresparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completaly cured."—Mrs. Augusta A.
