New York and New Jersey Suffer From Severe Storms--Postoffice Carried Off.

WASHINGTON, July 31.-Secretary Tracy has received a letter from the secretary of state enclosing copies of a dispatch received from the United States consul at Amoy, calling attention to the inferior quality of much of the Amoy Dolong tea exported to the United The Right of Jurisdiction Con-States. The secretary issued a circular Jetter to customs officers in Washington.

He says statements of the consul and documents enclosed indicate the well recognized fact among dealers in China that Amoy Oolong is generally dirty

and adulterated, carelessly picked, poorly sured and their reputation is so wide in all the markets that ceived here respecting the seizure of the dy, superintendent of schools at Senttle scaports are closed to them. The consulscaports are closed to them. The consul strongly recommends that no involces of Oolong be admitted to the United States without first being inspected. He fur-her states that these strictures don't ap-ply to Tamsuy or Jermosa Oolong teas mostly shipped via Amoy. Attention is called to the matter in order that strict scrutiny may be made at the port of im-portation with a view to prevent the ad-mission of any teas which may be found to be in violation of the act prohibiting the importation of adulterated and in-jurious teas. urious teas.

Three and and two teams were killed. Tatest advices indicate that an old feud had recently been renewed, and some of the parties concealed dynemite in a sheaf of wheat. It had been announced that there would be a contest between rival machines, and a large crowd assembled. Fortunately, at the time the dynamite was put in the machine most of the peo-ple were some distance away.

of a Flowing Well. ELLESSNURG, July 31.—A coal com-pany, while engaged in boring for coal at Koslyn, at a depth of 480 feet struck a flowing well which throws a volume of water forty feet above the surface. With this stream is a strong flow of natural gas which burns with great brilliancy and is attracting crowds of people to witness the spectacle. The striking of natural gas in this country conlirms the theory of Prof. Clayton, who visited El-lensburg a year ago and, replying to an inquiry, said Kittias valley was the bed of an old lake. The ma-jority of business men talked with also ob-jority of business men talked with also ob-ject to it. As matters now stand the con-stitution promises to be voted down when submitted to the people. The objection seems to be not only on account of the evident increase in taxation, but a be-lied in general that the convention is ex-ceeding its powers and endeavoring to information with surfay oppose the docu-ingionists will surfay oppose the docu-ingionists will surfay oppose the docu-ment. It is the general belief that too much time is being taken to furmulate the same and too many buncombe speeches are being made. Will Open Again Te-Night. The Bella Union theater was closed Tuesday by Sheriff Hinchilf, pending a settlement between the management and some of their creditors. It is un-derstood, however, that the matters have been satisfactorily settled, and that the theater will again open its doors to-night. During this temporary closing some forty or fifty people have been idle.
