river, from the mouth of the White river to Warrenton, for the purpose of improvement and the construction and repair of leves, to include the inprovement of the harbor at Vicksburg, Miss. He is also a member of the board of engineer officers on the building and repair of leves on the Mississippi river. He is 40 years of age, a native of Alabama and was appointed to the military academy from New Jersey in 1869, graduating in 1873. He was in that year made a second licentenant of engineers and subsequently served at Willet's Point, N. Y., at the military academy, as assistant professor of engineering. In Florida as first licentenant, and in 1886 was put in clarge of the third district of the Mississippi, with headquarters at Vicksburg.

THE CABLE LINE.

Over Two Thousand People Were Carried Over the Road Sunday to Twickenham.

Few Facts Concerning the Line and Its Operation and Facilities:

The fact was thoroughly established Sunday that the cable line is a grand success, and is highly appreciated by

the citizens of Spokane Falls. Over 2000 persons were carried to

cech. C. C. Hixon, republication for the control of the control of

week to England. My fourth visit was to a man whom I had never heard of before, but who was keenly alive to the correspondence in the English newspagers. He sends every week more than 80,000 cigarettes to England and a greater quantity to Germany. Although in a smaller line of business than the others, he gets his leaves and his paper from the same spot as his competitors. There are, of course many other reputable establishments in Cairo besides these four, which, as I have shown, supply every week 1,000,000
