BIBLIOGRAPHY OF SELECTED MATERIALS RELATING TO THE LAW OF COMMUNITY PROPERTY

Compiled by
ARTHUR S. BEARDSLEY*

The following bibliography lists the familiar titles on the subject of Community Property but adds items from the periodical literature and annotations together with many unpublished theses contained in the collection of the University of Washington Law Library.

The classification plan is very general as a detailed one is not required.

For the service rendered by Professor Oscar Orman of Washington University, St. Louis, the writer is deeply grateful.
