deceased. To be specifically excluded are claims for errors, omissions, negligence or malpractice, and the like.

Claim payments will have limits according to the amount in the fund but not to exceed \$10,000.00 in respect to any one lawyer or \$5,000.00 for one client. The payments to be made are made as a matter of grace and not a matter of right and are at the sole discretion of the Board of Governors. There will be the usual provisions for reports and administrative details.

Your committee feels that this is a real step forward in the Bar's relations with the public. We are a leader in this field. The city of Philadelphia has a similar plan which has been in operation and is very highly recommended by the American Bar Association. But this is the first state I believe to establish a fund and put it in operation. The only ones who can and should redress the wrongs of our fellow members to the public is the Bar itself. We are our brother's keepers. Thank you.

Mr. Theodore P. Cummings spoke as Chairman of the Legislative Committee and the Special Committee on Joint Tenancy. Mr. Jack Whitmore reported for the Committee on Insurance. The association delegate to the House of Delegates of the American Bar Association, Mr. Joseph Gordon, reported on the Annual American Bar meeting which was held in Florida. Mr. Elias Wright was unable to be present and in his absence Mr. Phillip Weiss presented the names of association members who had passed away during the preceding year. This list appears on a subsequent page.
